must-have

Hydration Helper:

"I love Lancôme Rénergie Lift Multi-Action Night cream, morning, noon and night. My skin doesn't feel right without it. If I forget to pack it for a trip, I practically freak out!"

signature scent

On Display: "My fragrances are pretty much for show; I always forget to use them! But, on special occasions, I like Chanel No. 5."

skin secret

Dynamic Duo: "I wish I could drink Eucerin because my skin loves it so much! I often put baby oil on right before I get out of the shower and then apply a second coat of Eucerin. I've almost killed my husband a few times as the floor is so slippery, but I highly recommend it!"
